## DESCRIPTION

Halls are delighted with instructions to offer Rose Barn in The Trench, near Ellesmere, for sale by private treaty.

Rose barn is a charming two-bedroom barn conversion completed in 2023 to exacting standards and having been improved by the current vendor to now provide around 620 sq ft of characterful and sympathetically presented living accommodation thoughtfully arranged across a single storey.

The property is complemented by a private courtyard garden nestled within the crook of the property; designed with ease of maintenance in mind whilst comprising a predominately concrete area which offers excellent potential for the arrangement of planters, pots, and seating to form a delightful private oasis. To the west of the barn are further gardens, attractively brick-paved and presently featuring a selection of plants and shrubs, with, to the south-west of the home, ample off-street parking for a number of vehicles.

## SITUATION

The property occupies a pleasant semi-rural location within the hamlet of The Trench, which nestles on the English/Welsh border against a backdrop of open farmland and rolling fields broadly equidistant between the traditional village of Overton-On-Dee and the thriving market town of Ellesmere, both of which provide a respectable range of day-to-day amenities, including Schools, Supermarket, Convenience Stores, Restaurants, Cafes, Public Houses, Medical Facilities, and a range of independent Shops. The county centres of Wrexham and Shrewsbury lie to the north and south respectively and offer a more comprehensive range of amenities of all kinds, including cultural and artistic attractions.

## DIRECTIONS

Leave Ellesmere to the north via the A528 in the direction of Overton-On-Dee continuing for around 2 miles when, just before crossing the border into Wales, the property will be situated on the right and identified by a Halls "For Sale" board.
