BRADLEY HALL

Bradley Hall is an impressive farming estate idyllically situated within the gently undulating grandeur of the much noted Cheshire countryside and yet retaining a convenient proximity to the nearby market town of Malpas.

The farm is arranged around a substantial period farmhouse providing scope for modernisation and has diversified, to now include an established leisure aspect comprising 5 glamping pods, alongside a detached bungalow and a range of modern and traditional agricultural buildings which may offer opportunities for further development, with a mixture of arable and pasture land extending to around 114 acres.

THE ACCOMMODATION

The Farmhouse

An attractive red-brick period farmhouse which stands proudly over the surrounding land and extends to around 3343 sq ft. The farmhouse features partially modernised living accommodation, with the eastern aspect having been carefully improved to offer an array of comfortably proportioned and sympathetically presented rooms ready for immediate occupation.

The western aspect of the building now offers excellent potential for renovation, with scope to continue the present division or to arrange the property more seamlessly into a substantial family home.

Pinfold Cottage

A single storey two-bedroom detached bungalow positioned to the south-east of the homestead. Thoughtfully designed to echo the architecture of the nearby farmhouse and positioned within private gardens which contain a detached double garage and extend to around 0.25ac, with open views across fields to the south.

The property is subject to an agricultural occupation restriction.

Glamping Pods

Within the last decade, the farm has built upon its established leisure offering of a 5 pitch caravan and motorhome site with the addition of 5 luxury glamping pods, all florally named in celebration of the crescent of wild flower meadow they are arranged around.”

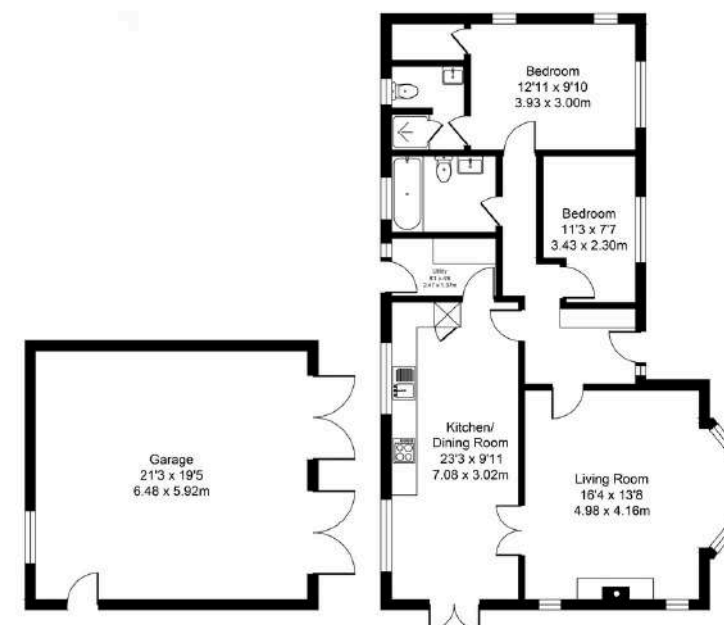

Planning and services are in place for a sixth pod, with the site providing an established revenue stream ideal for those seeking a passive income from the comfort of their home.
