DIRECTIONS
From Shrewsbury town centre, proceed over the English Bridge, continue on through Abbey Foregate and up to the Column Roundabout. Take the second exit along London Road and proceed past Shrewsbury College and the Charles View Development will be identified after a short distance on the left hand side.

SITUATION
Charles View is a superb new build development, positioned to the south easterly side of the town. The development sits in a highly desirable residential area just off London Road, with a number of amenities close by, which include shops, Shrewsbury College and Prestfelde Preparatory School. Shrewsbury town centre is easily accessible and provides a comprehensive shopping centre, range of social and leisure facilities, together with a rail service. Commuters have excellent access from London Road directly onto the A5, which links through to the M54 motorway to Telford and thereon to the West Midlands Conurbations.

DESCRIPTION
Plot 46 is a most impressive and appealing detached house, providing generously proportioned and attractively appointed accommodation. The property boasts a number of features including: Air source heating, Underfloor heating to the ground floor, Electrical car charging point, and Solar PV panels.

The ground floor offers an entrance hall, which leads to the living room and an open plan kitchen diner, which contains a number of integrated appliances and has double glazed french doors leading out to the rear gardens. Also to the ground floor is a useful WC. To the first floor, there are four well proportioned bedrooms, the principal of which benefits from an en-suite shower room, whilst the remaining three are served by the family bathroom. Outside, there is a good sized block paved driveway which gives access to the garage. The gardens predominantly sit to the rear and offer a patio seating area with flowing lawns.
