A magnificent Freehold detached property located just off Croft Lane in Hollins, Bury and having not only exceptional garden areas with a babbling stream at the bottom, but superb views beyond over neighbouring farmland. We are too often that we should never judge a book by its cover and this is very relevant for this property. You will be very surprised with the size and adaptability of the accommodation which has been extended to the rear at ground floor level to create a fabulous kitchen/family room with bi-folding doors leading outside. The property is a credit to the current owners and their attention to detail throughout needs to be inspected first hand. The property is gas centrally heated and double glazed. The accommodation briefly comprises: entrance porch, inner hall, lounge, office, utility room, ground floor w.c., kitchen, family room incorporating a dining and lounging area, first floor landing, four bedrooms (all fitted and the main with ensuite shower room) and main four piece bathroom. To the outside there is a low maintenance garden to the front with block paved driveway providing on site parking for 2 cars. To the rear there is a good sized patio area, lawned garden, brick constructed detached office (fully insulated) and lower lawned garden with summerhouse, willow tree and bounded by Hollins Brook.
