The property has been converted into 4 separate dwellings all with individual access, their own unique features and two carparking spaces per property. The conversion was completed in 2021 and Number 2 is presented in 'as new' condition throughout. Being on the ground floor the property has direct access to useable outside space where our vendors have a storage shed and low maintenance garden areas. Internally there is an electric heating system, upvc double glazing and the accommodation briefly comprises: Entrance hall, living room/kitchen, main bedroom with ensuite shower room and patio doors leading onto the garden area, two further bedrooms (one could be a dressing room/office) and of course a main bathroom.
