Summary Continued

Additionally, there is a garage and allocated car park space nearby and the surrounding grounds include many of the original trees from the development. There is a private golf course at the far end which is also close-by.

Please see the section regarding detailed specification which include Victorian collection brass-wear to the bathroom and shower room, full height tiling to the wet areas and an impressive back-lit mirror to the main bathroom. On the electrical front there are data points with access to high speed internet and satellite TV points to the main rooms

The heating has refurbished Victorian radiators with satin nickel thermostatic valves and Victorian style heated towel rails in the bathroom and shower room.

The kitchen has fully fitted high quality units with soft close doors and drawers and under mounted LED feature lighting. The worktops are Silestone kitchen worktops with up-stands and inset sink.

There is a door entry system and CCTV covering the car park and all shared building entrances which is linked back to a recording device within the development.

All timbers have been fully treated with guarantees and secondary damp proofing has been carried out also with guarantees.

Communal Entrance Hallway

Glazed double doors leading to communal entrance hallway with door to entrance lobby.

Entrance Lobby

Access to cupboard housing boiler and radiator.

Kitchen/Diner

23'11" x 16'7" (7.29m x 5.05m)

This is a superb, impressive room with twin full height arched southerly facing windows to rear. The adjacent ground floor flat, which is a mirror image of this flat, obtained planning permission to have the bottom half of one of the windows, furthest from the entrance door replaced with hardwood French doors allowing direct access into the garden. Those doors were made at a cost of £2500. We believe that there is every possibility a similar planning application for this apartment would be met favourably.

There are three radiators, stairs rising to first floor with a spectacular galleried landing overlooking the large room. Light fittings that hang down from the high ceilings provide a real feature, and there is a handy under-stairs recess ideal for an office desk and study area, next to one of the radiators.

At the far end is a contemporary kitchen with a wealth of fitted units with under unit lighting, soft close doors and drawers and integrated appliances. These include an Indesit dishwasher, Siemens double oven, gas hob and extractor hood over. There are Silestone worktops with up-stands with wall tiling behind.

Lounge

15'7" x 11'8" (4.75m x 3.56m)

Radiator and panelled walls.

Inner Hallway

The inner hallway provides access to the utility room and ground floor bathroom.

Utility Room

7'8" x 5'10" (2.34m x 1.78m)

Fully tiled shower, vanity unit wash hand-basin with cupboards beneath and W.C. and extractor fan.

Garden

The garden is south facing, fully enclosed by panelled fencing and totally unoverlooked from the immediate rear. It is a low maintenance garden which is mainly gravelled and there is also an outside tap.

Garage

The garage has a manual up and over door, close to the garage is an allocated parking space.

Front and Surrounding Grounds

Surrounding the property and the development in general are beautiful grounds with many of the original trees having been retained. At the far side of the site is private golf course.

Local shops are quarter of a mile up the road and an excellent and highly recommended estate agents' office is situated quarter of a mile away on Foxhall Road. Bus stops are also nearby on Foxhall Road.
