Asking price £520,000

Summary Continued

A rare opportunity to purchase a large four bed detached house which is offered in excellent decorative order. This has the unique benefit of having a complete purpose built annexe which was originally designed for an elderly relative in a wheelchair. It has complete wheelchair access both outside via a ramp and inside with low wide door thresholds and comes complete with its own kitchen, sitting room, bedroom and en-suite shower room. The annexe is separately rated as council tax band A and also has its own electric fuse box.

The annexe has double glazed south facing patio doors from the sitting room leading out and overlooking the garden. This would make it superb for an elderly relative or equally useful for someone working from home as an office suite, as a series of treatment rooms for therapy, beauty therapy, etc., with its own exterior independent access and the property has triple width driveway parking at the front. Alternatively it would make a superb teenagers accommodation suite.

There are numerous selling features with this property one of which is the superb views over farmland fields to front in this quiet cul-de-sac position-you can literally hear a pin drop. Another selling feature is the delightful large westerly facing rear garden which is unoverlooked from the rear and professionally landscaped with areas of lawn and colourful flower, shrub and tree borders, greenhouses and shed to remain.

Inside the property benefits from complete double glazed double glazed windows and doors throughout, oil fired central heating via radiators and modern fitted kitchen and bathroom.

Within the kitchen the focal point of the room is a Range Master double oven complete with Calor gas supplied hob, extractor hood, twin ovens and grill. There are ample work-surfaces within the kitchen/breakfast room and plumbing for a washing machine and additional space courtesy of an adjacent utility room.

The garage at 21'1" x 12'4" is much larger than average supplied with power and light and a new Hormann up and over door. The garage has been insulated with brick cavity walls and is also boarded on the ceiling ready for conversion for an additional room if required.

The village of Whatfield is only ten minutes drive from Hadleigh. The village has about 155 residents, a primary school, village hall which has a pop up pub known as the Four Horseshoes and church. There are major services and facilities in the market town of Hadleigh.

This plan helped guide future development in the parish. The local village plan for Whatfield has given accommodation for only three more properties needing to be built by 2030. The field opposite this particular property is outside the boundary village envelope and has had planning applications refused in the past.

The sellers of this property are more than happy to discuss this aspect in further detail.

The bedrooms are all square shape and even the smallest one can comfortably accommodate a double bed. There are delightful views from the first floor windows to the front over the fields and to the rear over the landscaped gardens and wildlife and lily ponds.

There is a spacious downstairs cloakroom and the

original parquet flooring makes a feature in the hallway and is also under the floor coverings of the Sitting/Dining Room.

This property is offering extremely spacious accommodation in excellent condition and is unique opportunity with regards to the annexe, the views over the fields and the delightful landscaped garden.

We recommend an early internal inspection to avoid disappointment.

Front Garden

To the front of the property is a very nice new paved triple width driveway leading to the garage, providing off road parking for three side by side vehicles. There is outside lighting and neat area of lawn and low box hedging.

Entrance Hall

Double glazed front entrance door through to entrance porchway with further double glazed door leading to main reception hallway, with original parquet floor which also continues underneath the floor coverings in the lounge and dining area, under stairs cupboard, radiator and door leading into kitchen/breakfast room.

The first part of the garden is completely unoverlooked from the rear. The garden is full of colour with an excellent selection of flowers, shrubs and trees, the garden then proceeds up three steps to a second area of lawn with additional flower/shrub borders. There is side access on one side via a gate and the garden is completely enclosed by panel fencing. At the rear of the property are two ponds, one is a wildlife pond and one is a lily pond and from the rear of the garden are superb views looking back towards the house. There are two greenhouses and a good size timber shed to remain and a neatly concealed 500 gallon tank for the oil central heating.

Garage

21'1" x 12'4" (6.443 x 3.783)

Wider and longer than average garage with a new Hormann fitted electric door. There is a fire door from the garage into the utility area, a wall mounted boiler which services the annexe and the garage is supplied with light and power and also has its own separate insulated loft access which continues backwards over the entire annexe. There is also a vent for a tumble drier, double glazed window to side with security bars and additional metal plates providing extra security for the up and over door.

Annexe

The annexe was built to be completely wheelchair friendly. The current owners have put in new door frames which, could be altered to accommodate a wheelchair user once again. It has its own electric supply from a separate fuse board in the main garage of the property and is separately rated as 50% council tax band A. Access can be obtained by the side door of the main house.
