millerhomes

the place to be®

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Plot Information

Character Areas
Siteplan is separated into the character areas. The areas indicate the materials used for each housetype. Please speak to Development Sales Manager for details.

The Western Public Face
A visual homage to nearby Chapel Park, the Western Gateway uses a palette of reds and greys, with artstone detailing to provide a sympathetic welcome to the site.

The Village Centre
The Village Centre takes its inspiration from the Grade II listed Whorlton Grange. Small front gardens, green verges and a shared play area promote interaction and promote an ethos of community and common space.

Whorlton Lane Edge
The eastern aspect of the development is influenced by the character of the nearby farm steadings. It introduces a variety of architectural styles to add visual interest. Homes feature bay windows and artstone quoin corners.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Stephenson Meadows.

A mile and a half from the A1, three miles from Newcastle International Airport and five from the city centre, the development is well placed for travel throughout the country and abroad. Callerton Parkway Metro Station, a park-and-ride facility just over two miles to the north, is on the Metro Green Line, with more than four services an hour on weekdays through Newcastle city centre, 20 minutes away, and on to Gateshead and Sunderland. Buses between Newcastle and Hexham pass alongside the development, and further local services travel along North Walbottle Road, five minutes walk away.

Part of a major project revitalising north west Newcastle, this superb new neighbourhood is flanked on three sides by open farmland, bringing a sense of wide horizons and rural calm that complements its convenient location close to both the A1 trunk road and Newcastle International Airport. With good local amenities, this exciting new selection of two, three, four and five bedroom homes is set to become a popular, sought-after address.

Welcome to Stephenson Meadows...

The Miller Difference

“Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me.”

Chris Mackenzie
Miller Home Owner

“We are so impressed with the exceptional customer service and quality of our home that we’ve recommended Miller Homes to a friend.”

Helen Moscrop
Miller Home Owner

The Miller Difference

We’re enormously proud of the homes we’ve been building for the last 80 years, and throughout that time we’ve been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we’ve seen many generations of families enjoy our homes and developments, and we’ve seen the happy, thriving communities they’ve become.

Trust

For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We’re proud of the independent surveys that consistently show our high levels of customer satisfaction. That’s the real barometer of our quality and our service.

Helping where we can

We invest everything into your customer journey – it’s designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we’ll listen to you right from the start. From the day you first look around a showhome until long after you’ve moved in, we’re here to offer help and support. We’ve been doing this a long time so we have a vast amount of experience to draw on.

We don’t want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It’s a customer journey that has taken 80 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

Keeping you involved

First you’ll meet your Development Sales Manager who will give you any help you need in choosing and buying your home. Then your site manager, who will supervise the build of your home and answer your questions along the way.

We’ll invite you to a pre-plaster meeting with your site manager during the construction of your new home, where you’ll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we’ve finished building it.

A Better Place

We don’t just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique www.mymillerhome.com website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you’ve moved in.

For your future

For us, success is building exceptional homes, in sustainable communities. And that’s how we’ve built a business that goes from strength to strength.

A convenience store in Greenway, ten minutes walk away, sells fresh produce, newspapers and magazines, beers and wines, and other everyday items. Other retailers within around half an hour's walk include butchers, hardware stores and food takeaways, Aldi and Asda supermarkets and the Denton Park Shopping Centre which has Morrisons and Boots stores and a post office. For a wider choice, Newcastle city centre offers an enormous diversity of shopping, and the vast Metro-centre mall is also in easy reach.

Recreational amenities include a leisure centre at West Denton, near the Denton Park shops, with a 33m swimming pool, teaching pool, fitness gym, training area and sports pitches. Westerhope Golf Club, an excellent 18-hole parkland course with full clubhouse facilities, is less than a mile away, and traditional family friendly pubs within a short walk include The Poachers Cottage and the Jingling Gate. Quiet roads and paths near the development provide excellent opportunities for walking or cycling around the local countryside.

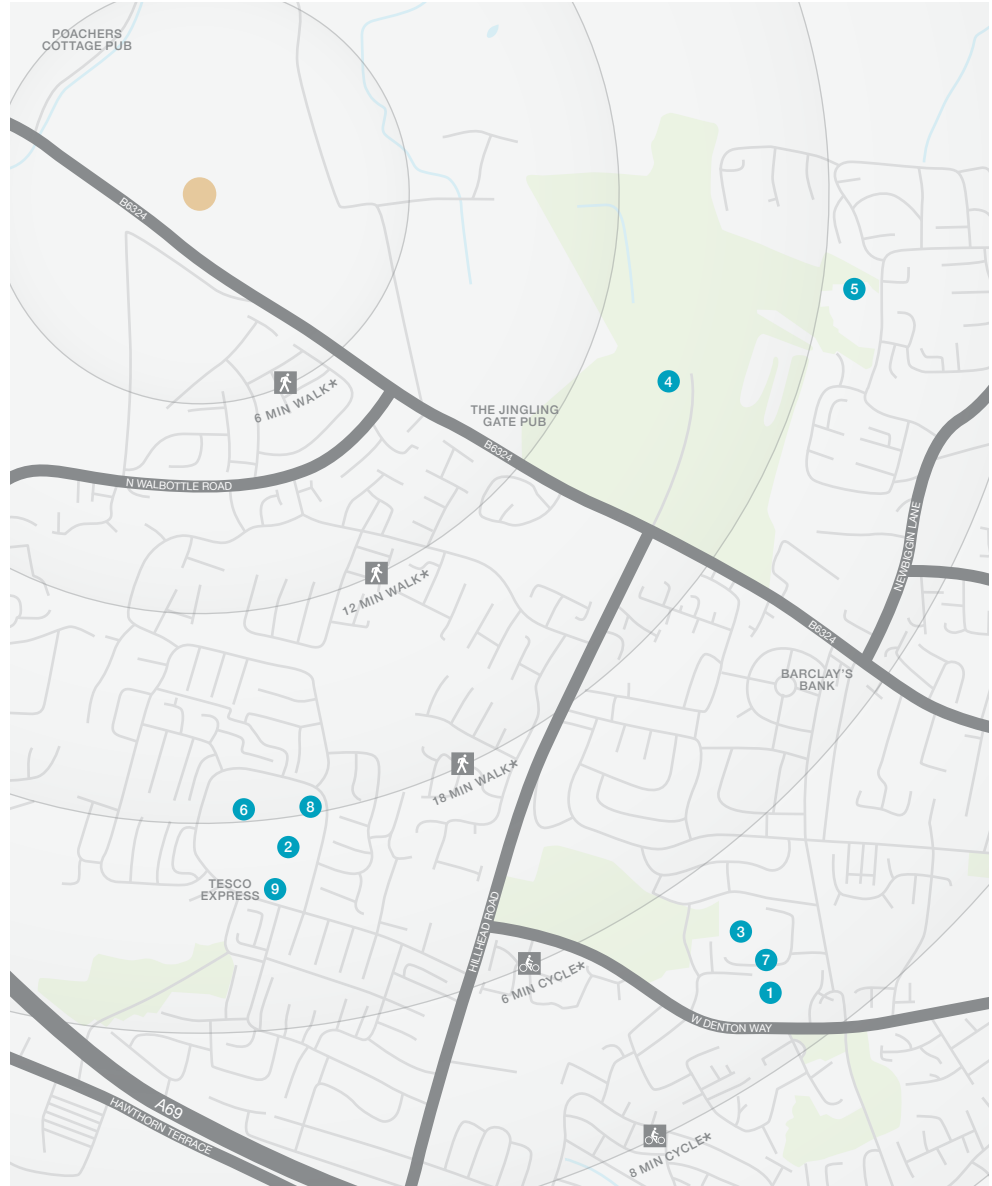

Westerhope Community Centre, fifteen minutes walk away, hosts a range of clubs and activities including bowling, snooker, children's groups, and social evenings in the bar. For a more cosmopolitan spectrum of entertainment and cultural activities, the short trip into Newcastle City Centre by Metro or bus opens up an enormous selection of museums, galleries, cinemas, theatres, clubs and live comedy and music venues.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Schools in the area include Simonside and Milecastle Primary Schools, both recognised as 'Good' in their most recent Ofsted assessment, while the choice of high schools includes Walbottle Campus and Studio West Enterprise and Innovation Campus,

both approximately two and a half miles away. For health care, a small area near Hillhead Parkway, just over a mile away, contains the Chapel House Primary Care Centre, a practice with seven GPs, as well as a pharmacy and a dental surgery.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GalerArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products, like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
