Floors are finished with carpeting and glazed timber panelled doors open to the utility room and dining room area.

Sitting Room

The large dual aspect sitting room is located to the front left-hand side of the property and has a delightful segmental bay window overlooking the well-tended front garden. A further five-unit window to the side elevation ensures that this space has good natural lighting throughout the day. There is a limestone feature fireplace with open fire and stained timber lintel over and quarry tiled hearth. A part glazed timber panel door opens to the main entrance hall and a further set of French doors open to the relaxing garden room area.

Dining Area

Forming part of the open plan sitting room, the dining area has matching cut-pile carpet and exposed timber beams to the ceiling. A set of French doors with matching side lights opens onto the south facing patio area making this a wonderful space for entertaining.

Utility

Ample storage space is provided via double sliding timber flush doors to a large full height cupboard with fitted shelving. A small Belfast sink has been installed and there is space for a washing machine. Floors are finished with sheet vinyl and a glazed timber framed door opens to the double garage.

Grounds

Front Aspect

The front aspect to 1 Wappenham Road is an impressive lawned area with raised stone patio and piers with steps leading down to the front garden. Perimeter boundaries comprise stained timber picket fencing and there is a majestic Willow tree providing shade to the front left-hand side. This delightful space warps around to the left-hand side with further steps to the patio area and access to the glazed summer room. Gated access is provided to the rear garden from both sides of the site.

Rear Garden

The private rear garden has dual access from the left- and right-hand sides of the property with a roughly hewn stone archway with decorative metal gates and timber trellis fencing, a stone pathway leads to the front elevation which incorporates a projecting canopy roof with space for seating below. The pathway extends to the rear portion of the property where there is a good-sized glass house for growing vegetables and sustainable living. A further useful timber shed is situated to the rear gable of the property.

The majority of the rear garden is laid to lawn and is well tended with Conifer hedge row to the rear boundary.

Outbuildings

To the rear right hand side of the garden there is a large part-brick outbuilding with upper stained shiplap boarding beneath a dual-pitched tiled roof. This traditionally styled outbuilding has power and lighting and would make a useful large workshop or home office area. It has a slatted timber entrance door to the front gable and a three-unit casement window providing natural lighting.

Garage and Cloakroom

The large integral double garage has aluminium up-and-over vehicular doors and a timber panel, part glazed pedestrian door with side casement window to the rear elevation. The garage houses the oil tank and there is also a separate cloak room with casement window to the front elevation.

Power and lighting have been fitted and a part glazed door leads to the utility area. Timber steps lead to a good sized first floor mezzanine storage area.

Mezzanine Storeroom

The first-floor mezzanine storeroom above the garage has vaulted ceilings and is fitted with office grade carpet tiles. Power and lighting have been provided and natural lighting is by way of a velux to the rear roof pitch and a two-unit casement window to the gable.

Location

The property is located in the picturesque village of Syresham which retains much its old-world charm.

Syresham provides an ideal location for families seeking a tranquil location but with the benefit of good amenities and easy access to the arterial roads of the A43, M1 and M40. Milton Keynes and Northampton are approximately 30 minutes' drive from where train journeys can be made to London Euston in 1 hour. For a more local range of amenities and facilities, the market towns of Brackley and Towcester are just a short drive away.

The village is surrounded by the remnants of ancient woodlands used as hunting grounds for past royalty. The source of the River Great Ouse is purported to be located nearby and flows as small brook passing through the village on its 142m journey to Norfolk into the Wash.

Syresham is fortunate to have the beautiful church of St James the Great. Located on a steeply banked hillside to the north east of the village this C13th church has an impressive, shingled spire which rises next to a backdrop of equally inspiring trees.

Local amenities within the village include The King's Head - a traditional coaching inn; post office and village store; Methodist Chapel, modern village hall, and Sports and Social Club.

Syresham is justly proud of its Primary School which is at the heart of the village. Additional schooling is available at Akeley Wood School, Beachborough School, Magdalen College School, and Winchester House School in Brackley.
