PROPERTY DETAILS

Just Property are extremely proud to bring to the market 'The Salt Box', a charming Grade II listed cottage, in the heart of the picturesque Bexhill Old Town.

This exquisite three-bedroom semi detached property dates back to the early 1500s we believe, and has an abundance of original features throughout, whilst at the same time having been sympathetically renovated and updated.

Being situated in the heart of the historic Bexhill Old Town with it's coffee shops, community centre and local amenities including the stunning Manor Barn Gardens and St Peters Church, you are never far away from life but at the same time, the property is tucked away in a sought after cul-de-sac location.

The property offers well-balanced accommodation comprising kitchen/breakfast room with an excellent range of fitted storage cupboards, wood worktop, butler sink, five ring gas range and a stable door leading directly into the attractive courtyard. The sitting/dining room has an abundance of character, with dual fuel burner and additional door leading to the front. Stairs rise to the first floor where can be found two bedrooms, bedroom one being currently used as an additional sitting room. The family bathroom has been tastefully modernised with roll top bath, pedestal wash hand basin and WC, with beautiful church views. To the second floor can be found bedroom three, again enjoying attractive southerly views.

The property benefits from gas central heating, spectacular church views throughout and has a wonderful array of storage. To the rear, the private walled courtyard is an ideal spot to enjoy the evening sunshine or alfresco dining. To the front of the property can be found a private area of garden with flower beds and a attractive range of shrubs and planting.

Opportunities such as this are rarely available and Just Property highly recommend an early inspection to fully appreciate all this charming and very special property has to offer.
