IT'S NOT JUST HOW YOU WORK IT'S HOW YOU FEEL

Bloom is much more than a collection of different companies it's a community where connections are made. We are designed for people who want a better work/life balance.

We provide fitness classes, sports clubs, charity fundraisers, family days, book clubs, BBQs, pop-up outdoor cinemas and screenings of major sporting events.

Our on-site Lifestyle Manager will help put you in touch with everything happening on the campus. They're your front-of-house, concierge and first point of contact. They're also here to organise a year-round programme of events. Besides all the fun stuff like BBQs and outdoor cinemas, there'll also be business networking, guest speakers, client entertainment and special interest days.

THE MASTERPLAN

IN THE HEART OF WEST LONDON

Looking for the ideal business location? Come on in.

Central London is close enough to be on tap, yet far enough away to feel like you've left it all behind. You're right at the crossroads of the beautiful Home Counties of Surrey, Berkshire and Buckinghamshire. There's nature in abundance and of course, Heathrow, one of the world's most important gateways, is just minutes away.

Our estate is adjacent to the 180-acre Bedfont Lakes Country Park. This Green Flag Award winner is a nature-lover's paradise. There's a fishing lake, nature reserve, walking and running trails, a visitor's centre, wildlife centre and outdoor playgrounds.

We can't think of anywhere better to get away from your desk and recharge your batteries.

OUR NATURAL SETTING ISN'T A BONUS, IT'S HOW WE DO BUSINESS

Wherever you look, you're blessed with spectacular views. And we're not shy about giving Mother Nature a helping hand.

We're planting native shrubs and flowers around the campus, creating improved wildlife habitats through enhanced planting. And by introducing bug hotels, bird feeders and wildlife boxes, we're attracting even more natural wonders. As an added bonus, customers even get their own plots to grow herbs and wildflowers.

1KM TRIM TRAIL

FROM SOURDOUGH TO SWEET SUCCESS

The Kitchen at Bloom was opened in January 2022. We believe eating well is sharing seasonal, local, food that nourishes our bodies, so expect food of all styles and flavours, and some pretty spectacular coffee too.

We only use responsibly sourced ingredients of the highest quality, all lovingly prepared by our chef team. Taste, texture and sustainability are all on the menu, so we source from local farmers, within 80-100 miles of Bloom. Plus our used rapeseed oil is turned into bio fuel, and food waste into renewable energy or biofertiliser.

Any excess produce is either posted on the Olio app for collection, or given to The Felix Project for non-profit organisations across London.

Package lightly. It's simple: our packaging needs to be light on the earth's resources, light in transport, and light on post-use footprint. That's why we do our best to use natural and recycled materials, with functional designs that can be reused, recycled or composted.

NOW BLOOM FITS PERFECTLY IN YOUR POCKET

With such a smart workplace, you'd be right to expect some really smart tech.

From security to climate control, Bloom uses the latest technology to help you get more out of your day.

The Bloom app also connects you with everything that's going on. Team updates, exercise classes, events, meeting room availability as well as the best travel routes and what's on locally... it's a window onto the whole Bloom experience. Log in on your desktop, tablet or phone, and everything you need is right at your fingertips.
