SPRING 2024

BETTER WORKING ON THE BANKS OF THE THAMES

Come and work in ARC West London's recently refurbished world-class, flexible, lab building designed to enable your passion for innovation and get your ideas flowing.

We've worked closely with Bulb Laboratories, one of our key partners, to curate compliant spaces for everything from cell and tissue culture research to analysis, synthesis and diagnostics.

- 3,265 – 22,634 sq ft fitted CL2 lab space over 2 floors
- Top floor with private terrace and river views
- Landscaped gardens and river setting
- 10 mins walk from Hammersmith tube
- New end of journey experience with bike racks and shower facilities
- Full height Atrium with cafe and communal seating area
- Established location, home to Motherlabs fully fitted and managed laboratory space
- Ability to scale with new 150,000 sq ft Refinery lab building coming in 2024
- Close proximity to Charing Cross Hospital and Imperial College White City campus

A LAB LIKE NO OTHER

Waterfront lets you flow. It's part of the 240,000 sq ft ARC West London campus designed to help scientists and innovators thrive. At Waterfront you can easily scale up as required, so that as you grow your business you don't need to relocate, not that you would ever want to.

A 21ST CENTURY SCIENCE & INNOVATION COMMUNITY

Our campus is curated inside and out, creating vibrant communities with rich event programmes helping you to attract and retain the best talent.

Our Community and Events team is standing by ready to help you get the most out of everything on offer at Waterfront – whether it's hooking up with like-minded businesses, or getting your teeth into street food. It's a packed schedule every week in our event spaces.

Check our app to see what's going on, and you'll discover how Waterfront will work for you.

WORK WELL AT WATERFRONT

Healthy body, healthy mind. Waterfront at ARC West London promises a great work life balance with cycle use to get to and from work actively encouraged through cycle lockers, showers and even an in-house bike mechanic to keep your wheels turning. And for less strenuous exercise, join one of the regular yoga classes.

LEVEL UP YOUR LAB

Waterfront's penthouse suite on the fourth floor offers 10,961 sq ft CL2 lab and write-up space plus a large roof terrace providing breathtaking views over the river. It's a stunning space that's designed to impress your visitors and attract the very best staff.

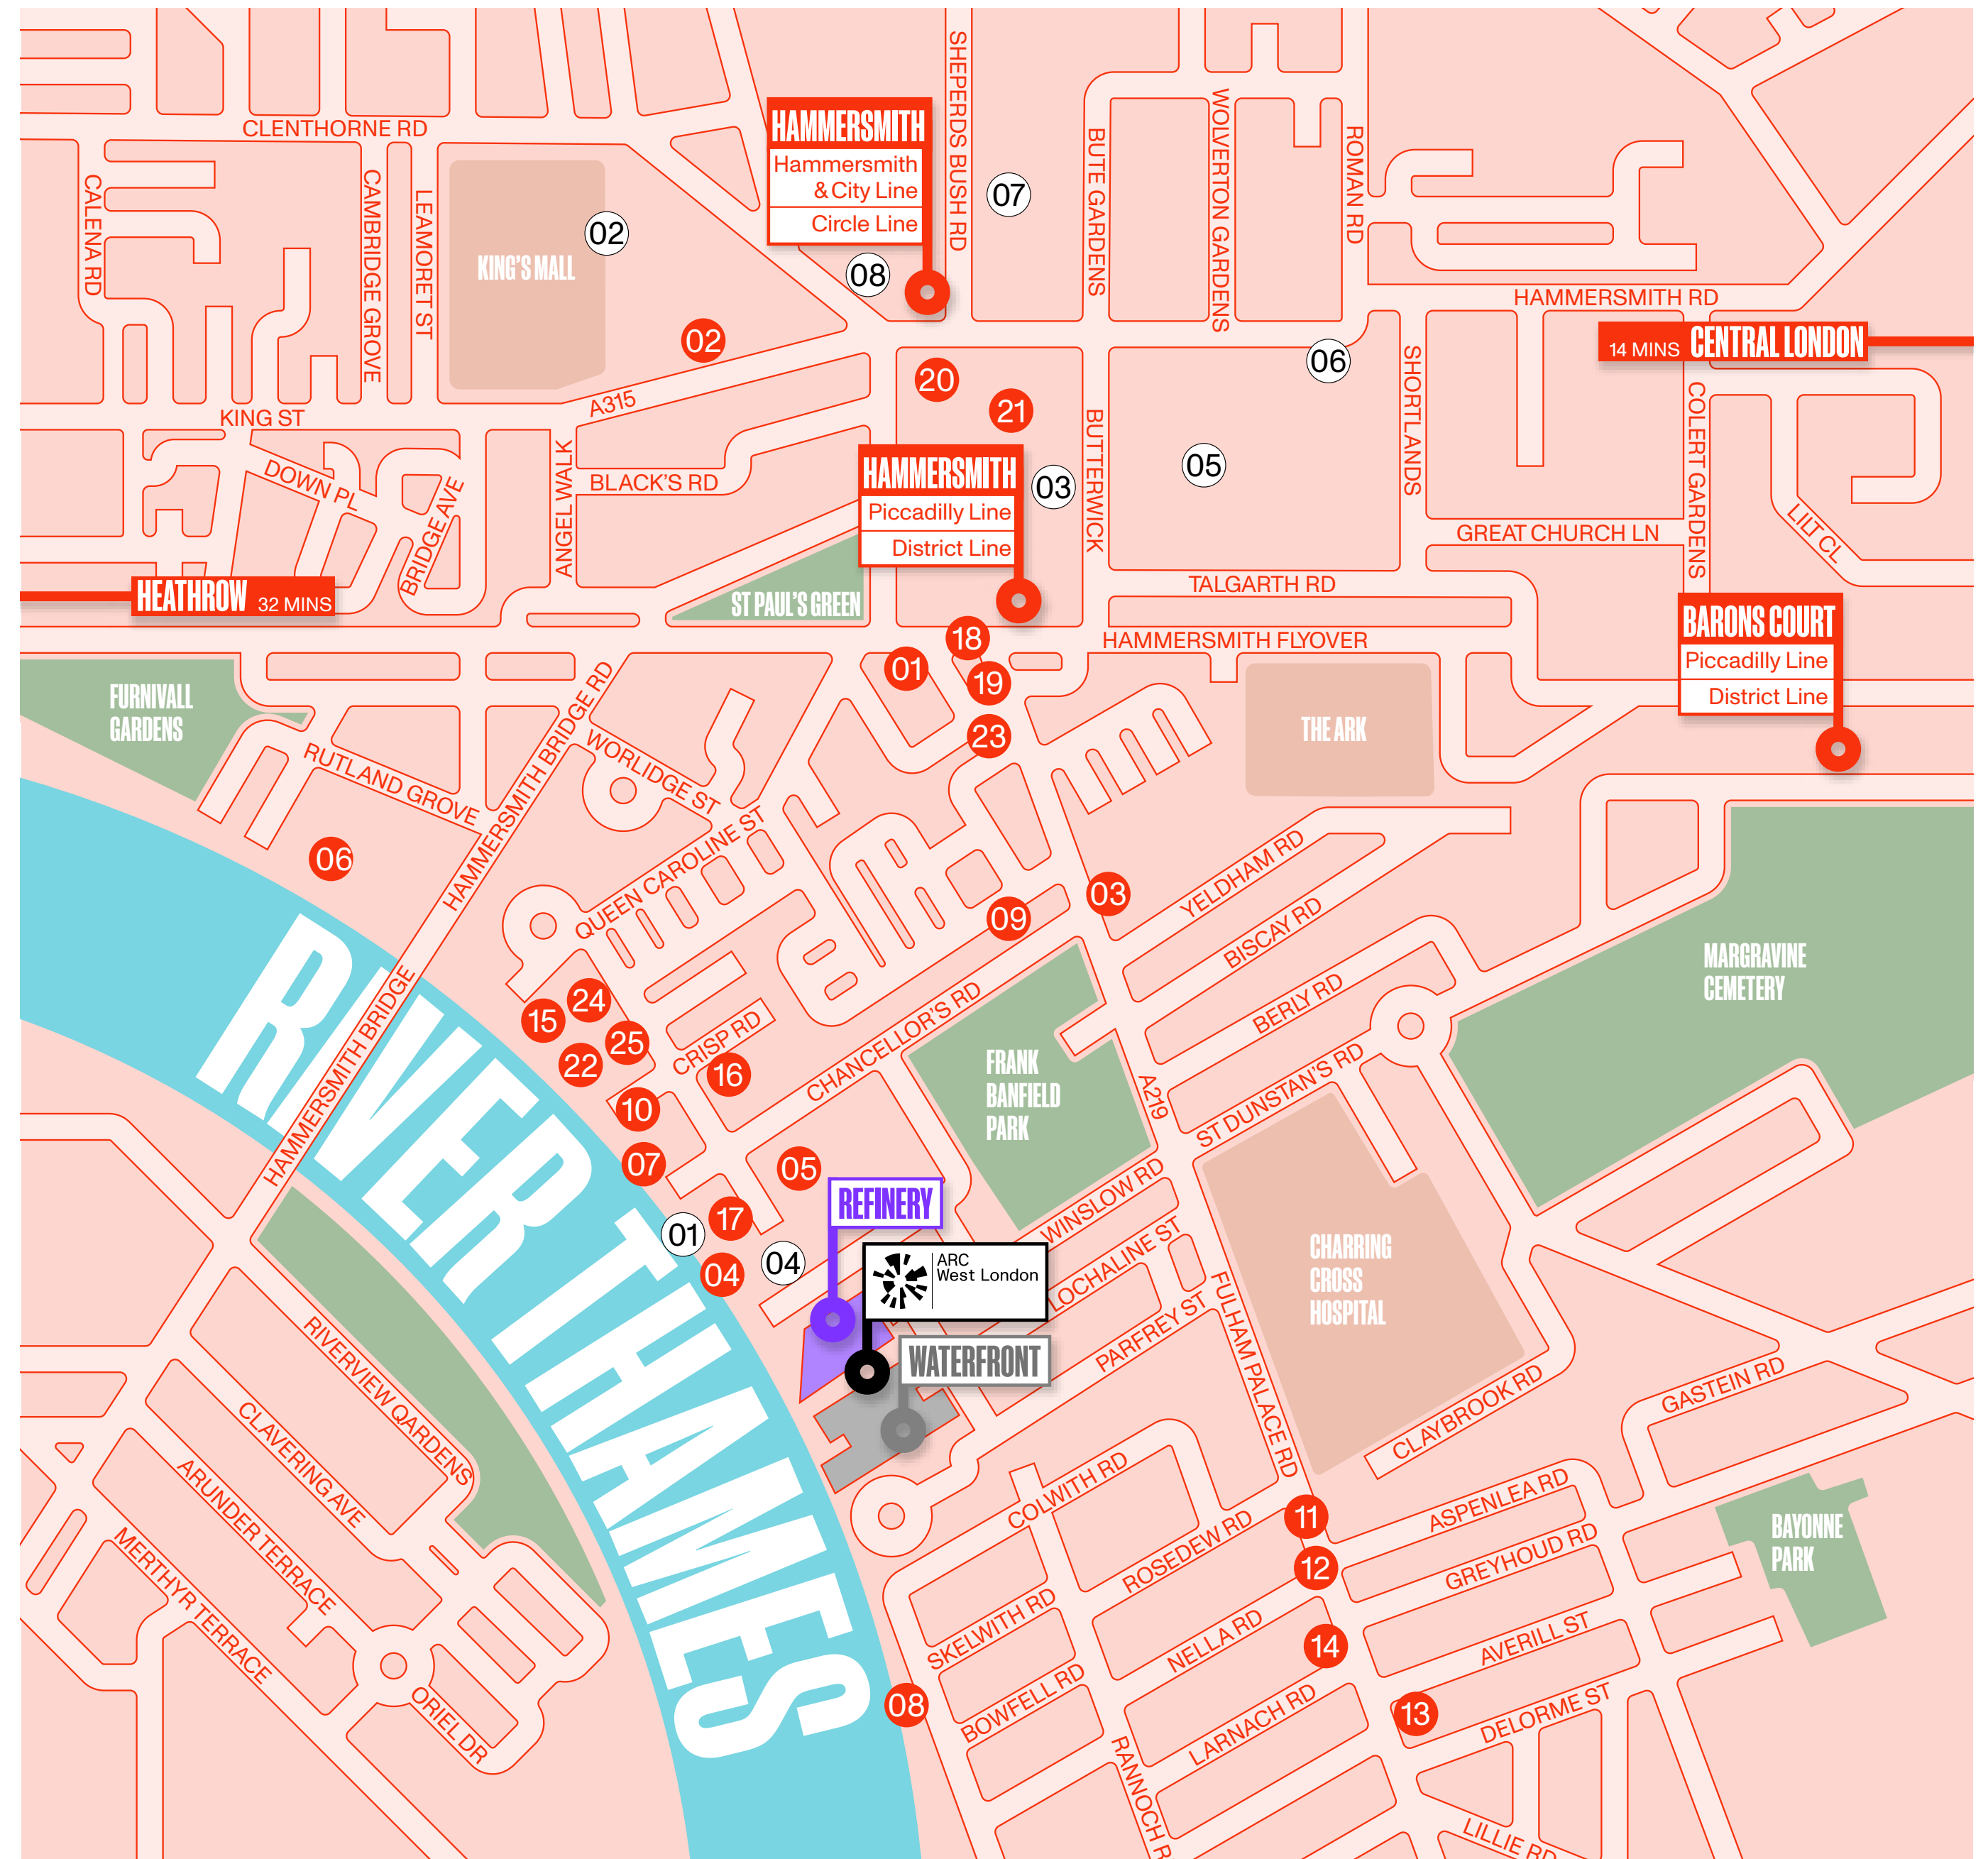

LOVE THE LOCATION

Working in Waterfront means never being far from a great pub, bar or restaurant as well as having the best of the arts close by.

And with four tube lines a few minutes walk away you're seriously well connected for commuting, for heading into town or heading off to the airport.

THAMES LIFE

The Thames is the heart of London and at Waterfront it's yours to explore. Take a stroll on the towpath, join a rowing club, get out on a two wheeled adventure. Discover historic sights and some of the capital's best-loved pubs, or go for something a little more upmarket with riverside fine dining experience at the River Cafe and Brasserie Blanc.

While your experiments are running, it's time to explore. Hammersmith has welcoming bars, global cuisine and diverse retail right on our doorstep. World-class culture options nearby include the Lyric Theatre and the Eventim Apollo and within 500m of Waterside you'll find more than 17 dining options, and that's even before you consider the delicious variety of food on offer inside ARC West London itself.

Motherlabs

ARC West London is home to Motherlabs – flexible, fully-managed lab space.

Motherlabs provides the critical infrastructure to help organisations to grow sustainably, to smartly innovate and to move ideas seamlessly from concept, to lab, to commercialisation at pace.

ARC NETWORK

When you join the ARC West London community you also become part of the ARC network of leading science and innovation campuses country-wide with ARC Oxford, ARC Uxbridge and ARC Harwell, along with ARC West London. This delivers exclusive membership benefits including access to collaboration space in every ARC site so that every member is part of something bigger with broader, faster, knowledge sharing facilitated by dedicated cluster and community managers.

ARC's energising environments and wellbeing initiatives create spaces where talent can thrive. As an ARC member you're plugged into the knowledge and business experience of over 250 member organisations.

ARC is also a platform for promoting your business. Online on social media, in our newspaper, and over the digital in our popular podcasts.
