Internally

On the ground floor this family home comprises; an inviting entrance hall with a handy, built-in storage cupboard and storage built in under the stairs, two reception rooms (a 22ft, double aspect living room, including sliding doors that opens out to the private rear garden and a feature fireplace, and a separate dining room), a study/home office, a kitchen/breakfast room, with ample storage and worktop space, which leads through to a separate utility room (also with a door that opens out to the private rear garden), and a downstairs WC. A wrap-around staircase with a large window in the stairwell, allowing an abundance of natural light to enter the home, leads up to the spacious first floor landing and, beyond this, four bedrooms, and a modern shower room with a walk-in, glass shower enclosure. The master bedroom further benefits from a walk-in wardrobe/wardrobes with mirrored sliding doors, and a fully tiled, three-piece ensuite, whilst bedroom two also benefits from built-in wardrobes with sliding doors.

Externally

To the front of this impressive and imposing property is a large, low maintenance (tarmac) driveway that provides ample off road parking for several vehicles. There is also an attached, double garage which (as well as providing additional, off road parking if required and/or secure storage of bikes and other outdoor sports equipment) offers the potential to extend (STPP) the already generous internal footprint available. Wrapping-around two sides of the property is a substantial garden that boasts a raised, level lawn, raised, brick-built beds, and several areas of hardstanding that is both easy to maintain and provides you with an enviable space in which to entertain guests. A viewing is essential to truly appreciate what this impressive family home has to offer.
