Private parking is an added benefit, and all bills are included within the rent. Each of the five bedrooms contain double beds as well as a carpeted floor, study desk and a variety of storage furniture. Providing a fantastic communal area, the open plan living room/kitchen is spacious with a wall mounted television, several chairs and a sofa. The kitchen is bright and full of countertop space, as well as an abundance of storage for all residents. A great feature in this room is the breakfast bar, which is great for socialising when cooking meals. Two bathrooms can be found in the building, with both fitted with a shower, toilet, sink and heated towel rack. An additional toilet can also be found within the WC under the stairs. As well as being close to everything Bangor's main high street has to offer, the University's main building can be reached in just a ten-minute walk.
