Converted from a chapel located on York Place, Ebenezer Chapel is a unique building with a lot of character. The building has a range of thirteen one bedroom and two-bedroom flats just a few steps from Bangor's main flourishing high street. 10B Ebenezer Chapel is a fully furnished flat with two decent sized bedrooms and an open plan living room and kitchen area, which makes a good sociable space to relax with your housemates. The kitchen is modern in design and fully fitted with a fridge freezer, oven, hob & extractor hood and a washing machine. A dining table is also located here providing a great spot for mealtime. On road parking is available in front of the building for those tenants that drive. However, as it is located just off the high street, this flat is in a great location with regular public transport from the nearby bus station and train station should you wish to travel further afield. There are shops, restaurants and a large supermarket close by and the University buildings are within a close walking distance.
