11 College Road is a substantial eight-bedroom property conveniently located on College Road, right by the main University campus. This property benefits from two modern kitchens, with one on the ground floor and one on the second floor, meaning there is plenty of room to socialise and prepare meals. Each kitchen has an oven, hob and fridge-freezer and all the bedrooms come with double beds. Yet another fantastic feature of this property is that all bills are included. In addition, its great location in the heart of the Bangor social scene makes it a great place to call home for your student years.
