22 College Road is a modern home, conveniently situated close to the main university campus, Main Arts. The property comprises eight bedrooms, each with their own double bed, study desk with chair and storage units. Situated on the ground floor is a spacious, front of house living room, bedroom, kitchen, utility area and ground floor WC. On the first floor are three bedrooms and three bathrooms which each come with a shower, WC and sink. On second and top floor is four bedrooms, one bedroom with a WC and sink. To the rear of the property is private parking space for up to four cars. Located close to many university buildings and local amenities, 22 College Road is ideally situated for easily getting from A to B, or even for getting to another city altogether, due to its close proximity to the train station.
