21 College Road is a very large seven-bedroom property, spread over three floors. There are plenty of communal spaces to be found, with two modern kitchens and a large living room with plenty of seating. All of the bedrooms are fitted with a bed, desk and chair and storage furniture. Some of the rooms also feature a sink with separate hot and cold taps. There are two bathrooms with showers and a WC on the first floor. A great feature of this property is the fact that all bills are included in the cost of the rent, meaning there's no need to sort out utilities' providers. The kitchens feature washing machines and fridge-freezers, as well as a wealth of storage space for all tenants. The fantastic location of this property means it is within walking distance of a variety of shops, cafes and local supermarkets, as well as being just a stroll away from the main University building.
