Situated on York Place, Ebenezer Chapel is a unique building with a lot of character which was converted from a chapel into a desirable modern home. The building has a mixture of one bedroom and two-bedroom flats just a stone's throw away from Bangor's main high street. Flat 11 Ebenezer Chapel is a fully furnished flat with two spacious double bedrooms, a well-lit ultra modern open plan living room with 40" flat screen TV, a sleek bathroom with overhead shower and a modern kitchen/diner with a large fridge freezer, ceramic hob and a washer/dryer. Parking is available on the road for tenants who drive, with public transport running regularly within the city. A taxi rank and bus station are located just around the corner and a train station is just a few minutes' walk away. As this property is so central many University buildings are within walking distance and a wide array of local and chain businesses can be found nearby.
