29 Holyhead Road is situated in the centre of Bangor's busy student area, making it ideal for tenants wishing to be close to the main University building, as well as the shops and eateries on offer in this area. Finished fashionably and in a contemporary style, the property features two double bedrooms, each with storage and study furniture, as well as a spare room. The kitchen is especially large and fully-fitted with everything tenants would need, and a separate utility area means it's easy for tenants to keep the home tidy even when busy doing chores. The bathroom has a bath with overhead shower and the living room is modern and comfortable, with two sofas, wall-mounted television and dining furniture. Another perk of this property is the internet is included in the cost of the rent, making moving in a breeze.
