72 Ffriddoedd Road is a spacious five bedroom house spread across three floors. Each bedroom is fully furnished with a double bed, plenty of storage space, study desk and chair. The large open plan living room/kitchen is perfect for socialising and spending time together as housemates. This room overlooks the large garden of the property which is an ideal place to have a summer time BBQ. There are two bathrooms in the property, a ground floor WC with toilet and sink, and a first floor bathroom with toilet, sink and shower.

All the bills (water, gas, electricity and Internet) can be added for an additional price which makes the property even more attractive as you have the option to choose the hassle-free option for your accommodation. There is a large drive at the front and side of the house so there is plenty of space for few of the tenants to have their own vehicles parked safely.

Ffriddoedd Road is around 10 minutes from the centre of 'Upper Bangor' where tenants can find supermarkets, pubs, shops and cafes. The property is also closer to the hospital, perfect for students on placement.
