Located on Deiniol Road, Aneddwen is a fully-furnished five bedroom property, with all rooms having a double bed and en-suite bathroom. Within the kitchen is a fridge, freezer, oven and hob cooker. Within the property is a communal kitchen / dining area, ideal for socialising. To the rear of the property is private parking for two vehicles.

With all bedrooms having an en-suite bathroom, Aneddwen is an attractive option if you're not wanting the dreaded morning wait for one of your housemates to vacate a communal bathroom.

Located close to several supermarkets and the main high street, Aneddwen is ideally situated, to be able to get from A to B, or even for jumping on a train and heading off to another city, using the nearby train station.
