In a prime location just a few steps from the main University building, 7 Penllys Terrace is a good sized, three-bedroom, modern property. Each of the spacious bedrooms come furnished with a bed, desk, wardrobe and additional storage furniture. Providing a great room for meal preparation, the kitchen has an array of appliances including a fridge, freezer, oven and built-in microwave. The living room makes a great communal area with a large window that fills the room with natural light. Lastly, the bathroom is fitted with a toilet, sink and shower. In addition to being so close to the main University building this property also benefits from being an equally close distance to both Upper and Lower Bangor's high streets where a wide range of shops, restaurants, entertainment venues, pubs, clubs and cafes can be found.
