14 Tabernacle Chapel is a spacious two-storey flat which retains many of the original chapel features. The flat has two bedrooms, both with desk, wardrobe and shelving. Each of these bedrooms have a curving arch left from the original shape of the chapel, which makes for a beautiful feature. The kitchen also has a stained-glass window that lets in a wealth of light. In addition, the kitchen also contains dining furniture, a microwave, oven, washer-dryer, fridge-freezer and plenty of storage. The living room contains a sofa, chairs and television. The great location of this property means it's within walking distance of local pubs and shops, as well as local supermarkets.
