8 Ashley Road is a newly renovated five bedroom house with one ensuite bedroom in a central city location. All the rooms are bright and airy double bedrooms, that come with new furniture including a double bed, study desk and variety of storage furniture. There is a newly fitted kitchen and all new appliances and flooring. This property is in a great location with easy access to nearby shops, restaurants, pubs and cafes, with the main University buildings just minutes away on foot. Private parking for one car comes included with this home. Viewing Highly Recommended.
