A five-bedroom house situated over three floors, 1 City View is in a great location just above Bangor high street and in a quiet cul-de-sac. Every bedroom in the property features a double bed, desk and chair and clothes storage. There is also a large bathroom with shower and shelving, as well as a separate WC located on the ground floor. The kitchen has a wealth of storage space as well as two fridge freezers, and the living room comes complete with plenty of seating.

The property also has gas central heating, double glazing and external insulation, meaning you won't have to worry about high heating costs. In addition, this property also comes with one private parking space which can be a rarity in any university city.

However, with such a fantastic location you won't need to walk far at all to get to local shops, restaurants, pubs, bars and cafes, as well as the train station.
