About this form

This form has been completed by the seller. The seller may be the owner or owners, or a representative with the

necessary authority to sell the property (e.g. an Executor or Attorney) or selling in some other capacity. The form should be completed and read as though the questions were being answered by the owner.

This form falls under the requirement of Consumer Protection Regulations 2008. The information has been supplied by the seller to the best of their knowledge. Under the Consumer Protection Regulations 2008 both the seller and agent must disclose anything, within their knowledge, that would affect the transactional decision of the average consumer.

The purpose of this form is to help sellers and agents to understand the types of details that must be disclosed should they be known. This form however should not be considered exhaustive.

It is recommended that you seek the advice of a qualified professional for the interpretation of any matters identified.
