Grace Estate Agents are pleased to offer for sale this three storey town house which is located in one of the most sought after roads in Ipswich, within a Conservation Area close to Christchurch Park and within easy walking distance of the town centre.

Planning permission was granted for a change of use from residential townhouse to commercial property. Since then the property has been used as a dental practice. There is a further reception room to the rear of the property along with two cloakrooms. Stairs lead down to the basement level, in which there is one large cellar.

Upstairs, the first floor offers two large bedrooms and a single bedroom, which could be easily converted into a family bathroom. On the top floor is a large bedroom with roof window with plenty of space for a potential conversion. The property provides a gross internal area of 1420 sqft (132 m2) of internal floor space.

At the front of the property there is off-road parking for two cars. To the rear is hard standing floor which is currently utilised as parking for three cars, but can easily be converted back to an enclosed rear garden.
