Homes that are not only strong in build, but in character too.

Story homes challenge the conventions of the mass-produced, standing apart from the crowd. There's all the features that make a Story home unique. The space we leave between each home, and footpaths that little bit wider, because that's what people need. Even our front doors are different colours. ***BEAUTIFUL COUNTRYSIDE. A RICH HISTORY.  
EXCELLENT TRANSPORT LINKS. HEATON GREEN  
REALLY DOES HAVE IT ALL.***

The area of Fylde is rich in countryside and within easy reach of coastal resorts and pleasant villages, offering the ideal combination of rural and city living. It's situated in the heart of the county and only one mile from Kirkham town centre.

Kirkham itself is a small yet charming town located amongst lovely villages and beautiful countryside. It is a historic town, granted a market charter in 1296, and had a church which dated back to 640 AD, where the 19th century Parish Church now stands. Both Kirkham and the surrounding area boast excellent educational facilities including a good selection of nursery, primary and secondary schools, including Kirkham Grammar School.

Whatever you want to see or do, it's all just a stone's throw away from Heaton Green. The lovely seaside town of Lytham St Anne's sits a few miles from the development, offering excellent facilities

including boutique and designer shops, numerous restaurants and independent bars and has a vibrant cafe culture and a beautiful sea front. For some R&R, Ribby Hall Village Spa Hotel is minutes from the development and offers extensive collections of spa treatments whilst also having a gym, restaurant, cafe and hotel. Preston is a charismatic University city with plenty of things to see and do.

Heaton Green is also perfectly positioned between Blackpool and Preston, with both the M55 and M6 providing an excellent commuter base for the North West. If you want to travel further, the West Coast Mainline from Kirkham and Wesham provides regular train services across the North West. And for some of the most beautiful scenery in the north, head to the Lake District which is only an hour and a half away.

All journey times are approximate.

*WE'LL GIVE YOU  
MORE SPACE  
INSIDE & OUT.*

***STRONG  
IN BUILD.  
STRONG IN  
CHARACTER.***

Of course, every home is unique. But with a new Story home, you'll discover some elements are shared. Like open-plan living areas that radiate light and space. Well-designed kitchens that deliver practicality and durability. Beautifully designed bathrooms and en-suites that take centre stage. And there's also bi-fold and French doors that come as standard, helping to create a seamless link between your home and garden.

What's more, when you buy a new Story home, you have the opportunity to personalise your home even further with our choices, upgrades and optional extras which can be incorporated seamlessly into your new home.

But it's not only our premium specification that's well considered. Our homes are built with sustainability in mind, with the aim of helping the environment and saving you money.

A new build is more economical to run than an older property. It uses less energy and produces significantly lower CO2 emissions, meaning lower running costs, and a saving of up to £1,410 pa on a 4-bedroom detached new build property.\* Energy saving features could include:

- High levels of thermal efficiency
- 'A' rated kitchen appliances (majority of appliances)
- Dual flush toilets
- 100% energy efficient lighting

Each home at Heaton Green is built with thermally-efficient building materials, and has a smart meter installed, so you can monitor your energy consumption. This, along with water-saving appliances and an airtight design, will give you all the benefits of a new build home.

\*A 4-bed detached Victorian house with some modern improvements has average yearly energy costs of £2,460. Whereas, the equivalent new build home that has been built to 2013 Building Regulations could have average yearly energy costs of £1,050, saving £1,410 per annum. SOURCE: new-homes.co.uk.

IN 1987.*

As a family-owned business, our mission is to design and build quality homes that people aspire to live in. Homes designed for life, that are strong in both build and character.

We have been successfully building high quality homes that stand out from the crowd for over thirty years. We would not be where we are today without our people, our craftsmen, our suppliers, our charities and of course, our customers.

Our passion, commitment and enthusiasm drives our 'can do' attitude to be the best. We are one team, working together to 'do it right' and our exceptional quality and attention to detail runs through everything we do.

*WE ARE PASSIONATE ABOUT BUILDING HOMES THAT WE ARE PROUD TO PUT OUR NAME TO.*

Customer satisfaction has always been one of our key strengths, and we regularly receive superb feedback from our customers which we use to help us make continuous improvements to our homes and our after-sales service.

**TAKING CARE OF YOU**

Our reputation is firmly built on the quality of our exceptional homes and our high standards of customer service. Before you move in, you'll be given a comprehensive 'Home Information File' that explains everything about your new home and what you can expect from our Customer Aftercare team.

You will also receive a home demonstration from your Site Manager, who will answer any questions you might have about your new Story home. Your Site Manager and your Sales Executive will become your main points of contact in the first few weeks of owning your brand new home.

**GOING THE EXTRA MILE**

We pride ourselves on providing a friendly, easily accessible, knowledgeable and efficient service for our customers. And as well as care and support from our Sales team during your purchase, our local and dedicated team of advisors and technicians will also be here to take care of you after you have moved in.

Your Site Manager will contact you in the days following completion, and then again during the first few weeks you are in your home. This is to ensure everything is as you would expect your new Story home to be.

Our Customer Aftercare team will call you directly to introduce themselves. We provide dedicated and responsive aftercare for two years after buying your Story home, in addition to your 10-year build warranty, so you can rest assured you are in safe, professional hands with us.
