Here for you at every step.

At Ashberry Homes we know that when you are buying and selling a home it can be a time when you need support and guidance; that's why we are here to help you.

We strive to give all our customers an enjoyable house buying experience and help make their dream home a reality by being here for you at every step of the way.

Our expert team will be by your side to advise and guide you from the moment you first visit us right through to the completion of your purchase. We'll also be by your side on moving-in day to welcome you into your new home, helping to ensure your move goes smoothly. And we don't just stop when you have the keys. Should you need us, our customer care team is on hand to help with any query you might have, no matter how small.

We work hard to provide a level of service and customer care second to none to ensure you will have many years of enjoyment in your new home.

Help to Buy is subject to eligibility. The equity loan must be repaid after 25 years, or earlier if you sell your property and is interest free for the first 5 years. From year 6 a fee of 1.75% is payable on the equity loan, which rises annually by RPI plus 1%. Please note Home Exchange is not available with any other offer and is subject to the Terms and Conditions of our Home Exchange Package. Home Exchange is only available on selected properties, and may not be offered at this development.

Help to Buy

Buy with just 5% deposit

Help to Buy is a Government backed equity loan aimed at helping you purchase your new home.

The scheme is open to both first time buyers and existing homeowners on new build properties up to a maximum value of £600,000.

To use the scheme, you will need at least a 5% deposit. You may then be eligible to receive an interest free equity loan from the government of 20% of the value of your new home, which means that you only need to secure a 75% mortgage.

Ashberry Home Exchange

We understand your current home is more than bricks and mortar, it's full of hard work and memories. The time has come to move on and up, but understandably you'll only sell your home for what it's worth. That's why we'll arrange for 2 independent estate agents to value your home before we make you an offer, to ensure the price we offer is fair. That's refreshing...

Ashberry Assisted Move

Selling your home can be hard work, so let us help. We'll work with you to appoint a local estate agent to market your home at a price you're happy with.

We'll then speak directly with the agent and call you with an update at least once a week. It all adds up to Ashberry Homes, refreshingly different.

We look forward to meeting you...
