LOCATION

St Merryn Hotel enjoys a prominent trading location as one enters St Ives. St Ives requires little introduction as one of the County if not the Country's foremost holiday destinations, with several beaches within the town periphery, an eclectic range of retailers and of course the world famous Tate Gallery.

Properties that could benefit from upgrading and improvement in the St Ives area are genuinely a rare commodity and therefore this represents an ideal opportunity.

THE PROPERTY

The detached property was originally built in the 1890's and was extended we are advised in the mid-1980's, to provide substantial 3 storey property comprising 20 letting rooms predominantly on the 1st and 2nd floors, owners accommodation to the rear, guests' dining room, bar and separate lounge.

The property sits within circa 0.56 acres of gently sloping orientation, with parking to the rear and well stocked gardens to the front. The property is accessed over a shared access road. In our opinion the property is presented in good order and is fit for the purpose of a target market, however, given its size and location, being close to St Ives, could certainly benefit from further investment should a new purchaser so wish.

THE BUSINESS

We understand the business has traded as a hotel since 1963, was bought by our clients in 1998, trades on a principally seasonal basis i.e. Easter through to the end of November (although it has previously traded all year), is principally run by our clients with some staff

assistance for cleaning and waitressing and is now being sold due to retirement. By choice our clients principally service the Coaching Contracts market on a half board basis, with 7 to 8 companies providing the hotel with customers who typically stay Monday through to Friday and are UK based.

We are advised the turnover for the most recent year March 2019 is in the region of £150,000 (not VAT applicable, as operate the Flat Rate Scheme). Further accounting information will be made available subject to a viewing appointment in the normal manner. Further information regarding our client's business please see their website www.stmerrynhotel-stives.co.uk
