The area is extremely popular with holiday makers, who come to explore the pretty villages, stunning coastline and surfing beaches at Croyde and Wollacombe. Also, Barbrook is on the edge of Exmoor National Park, making this business popular with walkers.

### THE PROPERTY

We understand the property is from the Georgian era and comprises a Manor House with a modern interconnecting building to a former Barn, now the Beggars Roost Inn. The Manor House has two entrances, through the reception and its own original front door and comprises 7 (6 currently let) large and well appointed and refurbished letting rooms, along with the spacious second floor 2 bedroom owners apartment. To the front are mature gardens, principally comprising a lawn area, which many of the rooms overlook. The Beggars Roost (former Barn) is an equally impressive building, with a traditional bar and restaurant on the ground floor, leading to a quite spectacular first floor Functions room, with a mezzanine breakfast area and interconnecting staircase to the Manor House reception. In summary, this sale represents an opportunity to acquire two quite magnificent historic properties which have undergone a significant amount of investment to bring them up to modern standards, yet retain a huge amount of character and charm.

### THE BUSINESS

We understand the business has traded for over 30 years, has been in our clients tenure since February 2015 during which time they have undertaken a significant amount of investment to build the business up, which is now showing results as evidenced by year on year sales growth. The business trades all year with exception of some closure in January and February and is run by our clients with chefs and bar persons. The trade split is approximately 20% accommodation; 30% wet and ; 50% food sales. the turnover for the latest full year (end March 2018) showed sales of £280,000 (net of VAT) with an operating Gross Profit level of 57%.
