### LOCATION

The Shop in the Square is situated in the centre of the pretty village of Cawsand in South East Cornwall, betwixt Rame Head and Plymouth Sound. The area is sought out by visitors who come to enjoy the timeless beauty of the colour washed cottages and meander through it's quiet streets and within a short distance of numerous family beaches. Nearby is Mount Edgcombe estate and with it's neighbour (Kingsand) has a number of Festivals and Events throughout the year. Property and indeed business opportunities in Cawsand and Kingsand are very rare.

### PROPERTY

We are advised the building dates to 1900 and is on the original footprint, not having been extended, which borrows some architectural influence from Europe. The two storey property has c. 450 square feet of trading space, a good size commercial kitchen to the rear and with separate access to the business 3 bedroom owners accommodation, with some beautiful far reaching coastal views over Cawsand Bay towards Plymouth Sound and Wembury.

### BUSINESS

We understand a business has traded from this property since it's construction and was indeed built as a shop. Our clients have had the business since 2005 and are now looking to sell due to retirement plans. we are advised the business trades all year with some closure in the month of January and has varying hours depending on the season; summer hours are 10 am to 8pm and winter 11am to 4pm being typical. The sales are predominantly derived from takeaway sales (85%) and the remainder (15%) the sale of beach / seasonal and drinks/ general goods. The business is run by our two client owners with up to 10 part time seasonal staff.

The Trading Profit and Loss Account for the year end March 2019 showed net sales of £233,114, with a Gross Profit level of 68.4% and an adjusted net profit of £146,689 (after deducting premises costs but not wages which typically equate to c. £20,000 per annum), further accounting information will be made available to interested parties. Our clients do not have an online / social media presence.
