This is an incredibly good value and flexible family home. With great rooms sizes throughout and a full front to back open plan living kitchen family space this is a brilliant home. Depending on your needs you could have it as 3/4/5 bedrooms depending on what living space you would prefer, the layout is comfortable whichever way you do it with a downstairs bathroom and an en suite on the main bedroom upstairs too. The kitchen is a real show stopper with a large island and a breakfast bar it's great for family or entertaining. The plot is also really good, private at the front and back, with parking for multiple cars and detached garage behind gates.
