DESCRIPTION:

This beautifully refurbished cottage is situated in the charming village of St Newlyn East, just a 15-minute drive from Newquay and within easy walking distance of the local Primary School. The village itself offers a well-regarded butcher, local shop, Primary School and a welcoming family-friendly pub. The ever-popular coastal town of Newquay lies only six miles away and has recently been named one of the UK's most desirable places to live—and it's easy to see why. Surrounded by miles of sandy beaches with world-class surf, family-friendly rock pools and calm waters ideal for paddle boarding, the area truly offers something for everyone.

Newquay boasts a vibrant selection of cafés, restaurants and bars, along with a wide range of shops. Nearby villages such as Crantock and Cubert provide a more relaxed atmosphere while still offering excellent everyday amenities and access to some of the most stunning coastline and countryside on the north coast.

In the last few years this property has been fully refurbished both beautifully and sympathetically, with meticulous attention to detail and an immaculate finish throughout.

The entrance hallway, with stairs rising to the first floor and a useful under-stairs cupboard housing the hot water tank, leads into the living room which enjoys a front-facing window. To the rear, the kitchen/diner features a good range of white gloss units, an integrated dishwasher, oven and induction hob, and a door opening onto the rear garden. This space is flooded with natural light thanks to a cleverly positioned skylight and rear-facing windows overlooking the sunny garden.

Also on the ground floor is a utility/cloakroom with space and plumbing for a washing machine.

On the first floor are two double bedrooms, one positioned at the front and one at the rear. The family bathroom is spacious and contemporary, finished with stylish brick-effect tiling and a high-quality suite. The landing also provides access to the loft.

The property benefits from a wet electric heating system and new uPVC double-glazed windows throughout. The kitchen, bathroom, carpets and floor coverings are all of a high specification, with an excellent overall finish.

Externally, the front of the property offers driveway parking for one to two vehicles. To the rear is a fully enclosed, private and sunny garden, featuring newly planted raised beds and a freshly turfed lawn.

In summary, this property would be ideal for a couple or young family taking their first step onto the property ladder, or equally well suited as a holiday home. The property is offered with no onward chain.
