Description

Molyneux Estate Agents are excited to offer this executive, detached home found within a sought after cul de sac in the Norfolk village of Methwold. Offered with no onward chain, the property enjoys a range of spacious and versatile accommodation, as well as a double garage and driveway, and an enclosed rear garden.

A concrete driveway provides ample off street parking in front of the double garage, which has a pitched roof, ideal for further storage space. The internal accommodation is accessed via a welcoming entrance hall, where there are stairs leading to the first floor, and also a useful cloakroom with W.C and wash hand basin. The ground-floor is comprised of the lounge, a separate dining room, study, kitchen-diner and utility room. The lounge has a window to the front aspect as well as French doors opening to the rear garden, plus an electric fire feature. The dining room and study both have windows looking out to the rear garden, and of course could have other uses, such as a ground-floor bedroom, play room or hobby room amongst other ideas.

The kitchen-diner has a window to the side aspect and also French doors opening to the rear garden. There are a range of fitted wall and base units with worktop over, as well as a built in oven with hob and extractor fitted above, and the usual inset stainless steel sink and drainer. The kitchen opens to the utility room, which has front and rear external doors, plus additional units and sink. There is also a dishwasher which is included, and space for another appliance.

Once upstairs the landing opens to all four bedrooms and the family bathroom, as well as having a built in airing cupboard with hot water tank, and a ceiling hatch for access in to the loft space. The master bedroom boasts an en-suite which comprises a panelled bath with shower fitted above, W.C and wash hand basin, whilst the family bathroom has both a bath and separate shower cubicle, in addition to the W.C and wash hand basin. The wardrobes/ drawers in the largest two

bedrooms are both included.

There is garden space to the side and rear of the home, which is laid to lawn, and fully enclosed by both fence and an attractive wall.

The boiler is located in the utility room, with the home warmed by an oil fired central heating system.

An internal viewing comes highly recommended, and can be arranged now with Molyneux Estate Agents of Brandon!
