### Description

We are delighted to offer to the market this superb family home, found in exceptional condition throughout! Located in the sought after village of Weeting, internal viewings come highly recommended!

The property can be accessed via a front entrance porch, or alternatively by a side door straight in to the kitchen. The entrance porch opens to an inner hall, where you'll find the useful cloakroom, stairs to the first floor plus doors to both the lounge and kitchen.

The modern kitchen is a must see, including a range of wall base units with an inset ceramic sink and drainer, built in oven with hob and extractor fitted above, as well as space for both a fridge-freezer and washing machine. The lounge is a good size room, with wood effect flooring and an attractive media wall, plus windows to the front and rear aspect allowing for plenty of natural light!

Found between the lounge and kitchen is a separate dining room, which includes a built in under stairs cupboard with some useful shelving, as well as French doors opening to the rear garden.

Once upstairs a landing provides access to all four bedrooms and the family bathroom. The master bedroom includes a built in wardrobe, whilst bedroom four has a built in airing cupboard housing the homes hot water tank. The family bathroom completes the internal accommodation, comprising of a panelled bath with shower over, W.C, wash hand basin, and a heated towel rail.

Both the lounge and master bedroom have had an air conditioning unit recently fitted.

Externally the front of the home has been mostly shingled for ease of maintenance, with a dropped curb allowing off road parking for two cars. A gate opens to the side garden, which is predominantly laid to lawn and extends beyond the garage.

There is a patio area found in front of the garage, ideal for dining and entertaining, whilst the garden to the rear of the home is mostly shingled.

There is a brick built garage within the garden, which has a pitched roof creating additional storage space, as well as power and light connected. There is an up and over metal door to the front, which has been covered with wood whilst not in use, plus a personal side door for access.
