Description

Molyneux Estate Agents are excited to offer this beautifully presented detached bungalow found in the sought after market town of Brandon in Suffolk. Boasting sealed unit UPVC windows and doors throughout, as well as a mains gas fired central heating system, other benefits include the low maintenance rear garden, as well as a large block paved driveway and car-port to the front.

The internal accommodation is accessed through the kitchen, which was recently refitted around 3 years ago, and includes a range of fitted wall and base units with worktop over. There is a built in eye level oven and microwave, an inset hob with extractor fitted above, as well as an integrated fridge-freezer and dishwasher. There is further space for a washing machine, and the gas fired boiler is also enclosed within a kitchen wall unit.

The kitchen opens to an inner hall as well as the spacious lounge, which is found at the front of the home, and has an attractive bow window to the front aspect. The lounge also opens to the inner hall, which has doors in to all three bedrooms and the modern shower room, plus a built in cupboard which houses the hot water tank.

The three bedrooms are all located at the rear of the bungalow, with the master bedroom and third bedroom both enjoying windows looking out to the garden, whilst bedroom two, which is used by the current owners as a dining room, has patio doors opening straight out to the garden.

The shower room completes the internal accommodation, comprising a shower cubicle, W.C, wash hand basin and a heated towel rail. The shower room also boasts under-floor heating.

The rear garden is laid partly to decking, with the remainder laid to patio, ideal for low maintenance. There is also a block built shed for storage.

A internal viewing comes highly recommended, contact Molyneux Estate Agents of Brandon to arrange.
