Description

Molyneux estate agents are excited to offer this cleverly extended semi detached home found within the heart of Feltwell. The property is within close proximity of the local shops, and boasts an attractive view of the village Church.

With gardens to both the front and rear, plus a garage and driveway in nearby block, an internal viewing comes highly recommended.

The internal accommodation is accessed via a welcoming entrance porch and hallway, with the porch providing space and plumbing for both a washing machine and tumble dryer. The inner hall has stairs leading to the first floor, as well as doors opening to the lounge on one side, the dining room to the other side of the stairway, and also a useful ground-floor cloakroom with W.C, wash hand basin and a side window.

The spacious lounge has a window to the front aspect plus French door opening to the rear garden. The lounge also boasts a brick fireplace with wood-burner. The dining room has a window to the side aspect as well as a built in under-stairs cupboard and additional cupboard housing the oil fired boiler. The dining room opens to the kitchen, which can also be accessed from the lounge.

The kitchen includes a range of bespoke, hand-made wall and base units with worktop over. There is space for a cooker, fridge-freezer, dishwasher and washing machine, as well as an inset 1 1/2 bowl resin bonded granite sink and drainer, with a window above looking out to the rear garden.

Upstairs the landing opens to all four bedrooms and the family bathroom. Bedroom four is used by the current owner as a home office, and includes a built in airing cupboard which houses the hot water tank. Bedrooms three and four also have built in cupboard space.

The family bathroom completes the internal accommodation, comprising a corner bath with shower fitted over, W.C, wash hand basin and a window to the side aspect.

The front garden is laid to lawn with a walkway leading to the front entrance. The rear garden enjoys a covered patio area ideal for dining and entertaining, whilst the remaining garden is part lawned, with shrubs and an array of sheds.

A rear gate opens in to the cul de sac, where a garage en block is located and also provides a parking space in front.
