Off the hall way you will find the stairs leading to the first floor landing with a storage cupboard below, as well as doors leading to the cloakroom, a bay front lounge with a feature fireplace, dining room which has bi folding doors to the conservatory.

There is a remodeled kitchen/breakfast room which has been extended by moving a wall into the garage space, creating a larger area for table and chairs, there is an extensive range of storage units and work surfaces, double glazed French doors to the garden and a door leading to the utility room, which in turn has a door leading to the garage.

The first floor boasts a bay fronted main bedroom with double built in wardrobe and an en suite shower room, 3 further double bedrooms all with built in wardrobes and a family bathroom.

Further features include double glazed windows, gas radiator heating, a southerly facing garden with a purpose built 10ft garden office with light, power & phone line, double garage (partly converted) & driveway parking for 2 cars.
