Full Description

Situated in the highly desirable village of Little Kingshill, near Great Missenden, this delightful 4-bedroom semi-detached family home offers spacious, well-proportioned living across two floors, combined with stunning views and direct access to open countryside. The property perfectly balances rural tranquility with convenient access to local amenities, reputable schools, and excellent transport links to London and beyond.

Upon entering, the home welcomes you with a hallway with cloakroom leading to generous dining room and two further well-sized reception rooms—each adaptable to suit a range of needs, whether as formal living and dining spaces, a home office, or playroom. The rear reception room opens directly onto the beautifully maintained garden, allowing for seamless indoor-outdoor living. A thoughtfully designed kitchen/diner forms the heart of the home, complete with ample storage.

Upstairs, four spacious bedrooms provide comfortable accommodation for families of all sizes. The principal bedroom benefits and a stylish en-suite shower room, while the remaining three bedrooms are serviced by a modern family bathroom. Each room benefits from plenty of natural light and attractive views of the surrounding greenery.

The jewel in this home's crown is its exceptionally large rear garden, a true haven for gardeners, children, and those who love entertaining outdoors. Backing directly onto open fields, it offers uninterrupted rural views, privacy, and a strong connection to the Buckinghamshire countryside. There is also a workshop to the rear which offers an ideal place to work or even study.
