Set within a peaceful cul de sac in a sought after part of Neath, this detached family home offers a calm balance of comfort, space and convenience. Within a short walk lie Cimla Common, Gnoll Country Park and woodland trails leading toward Cwrt Herbert, giving residents an easy connection to open air and everyday recreation. The town centre, well regarded schools and Neath College are all close by, and the M4 ensures smooth access across South Wales.

The property extends to around 1,270 square feet and presents a welcoming interior designed for family living. A porch leads into a central hallway from which the open plan lounge and dining room unfold, filled with natural light from wide front and rear windows. The kitchen is neatly arranged with oak cabinetry, a breakfast bar and direct access to the rear garden. A cloakroom and integral garage complete the ground floor.

Upstairs, four comfortable bedrooms provide generous proportions and fitted storage, served by a bright family bathroom with both bath and separate shower. The principal bedroom is notably spacious, creating a calm retreat at the end of the day.

Outside, the beautifully kept rear garden enjoys a high degree of privacy, enclosed by mature planting with areas for seating and play. To the front, a broad driveway offers ample parking and easy access to the garage.
