Available January 2025

BREEAM Excellent rating targeted. Placing this building in the top 10% of UK warehouses for sustainability

Direct access on the A38

Warehousing that Works.

High performance space for your business.

If you're looking for a high-performing, sustainable building that works as hard as you do, then look no further. Indurent Park Burton is a thriving commercial hub that will deliver benefits for your business, your people and the environment.

An ideal location for the Midlands

Situated within 3 miles of Burton upon Trent town centre, Indurent Park Burton has exceptional transport links with direct access to the A38, connecting the site to the A50 and the major motorway network including the M1, M6, M6 (Toll) and M42.

Part of a larger 175-acre mixed-use scheme, the site also includes a residential development, with planning approved for up to 660 new homes, as well as 54 acres of new woodland and 83 acres of open landscaped parkland to the west of the River Trent.

Three phases have been delivered totalling 310,913 sq ft (28,885 sq m). Occupiers include Hellman Worldwide Logistics, Supply Technologies, Keylite Roof Windows, London City Bond, LIT Logistics Solutions and Gousto.

Outline planning permission for up to 1,000,000 sq ft (92,903 sq m) and individual units up to 300,000 sq ft (27,970 sq m).

PV panels fitted to the roof and included at no extra cost.

Carbon neutral on completion.

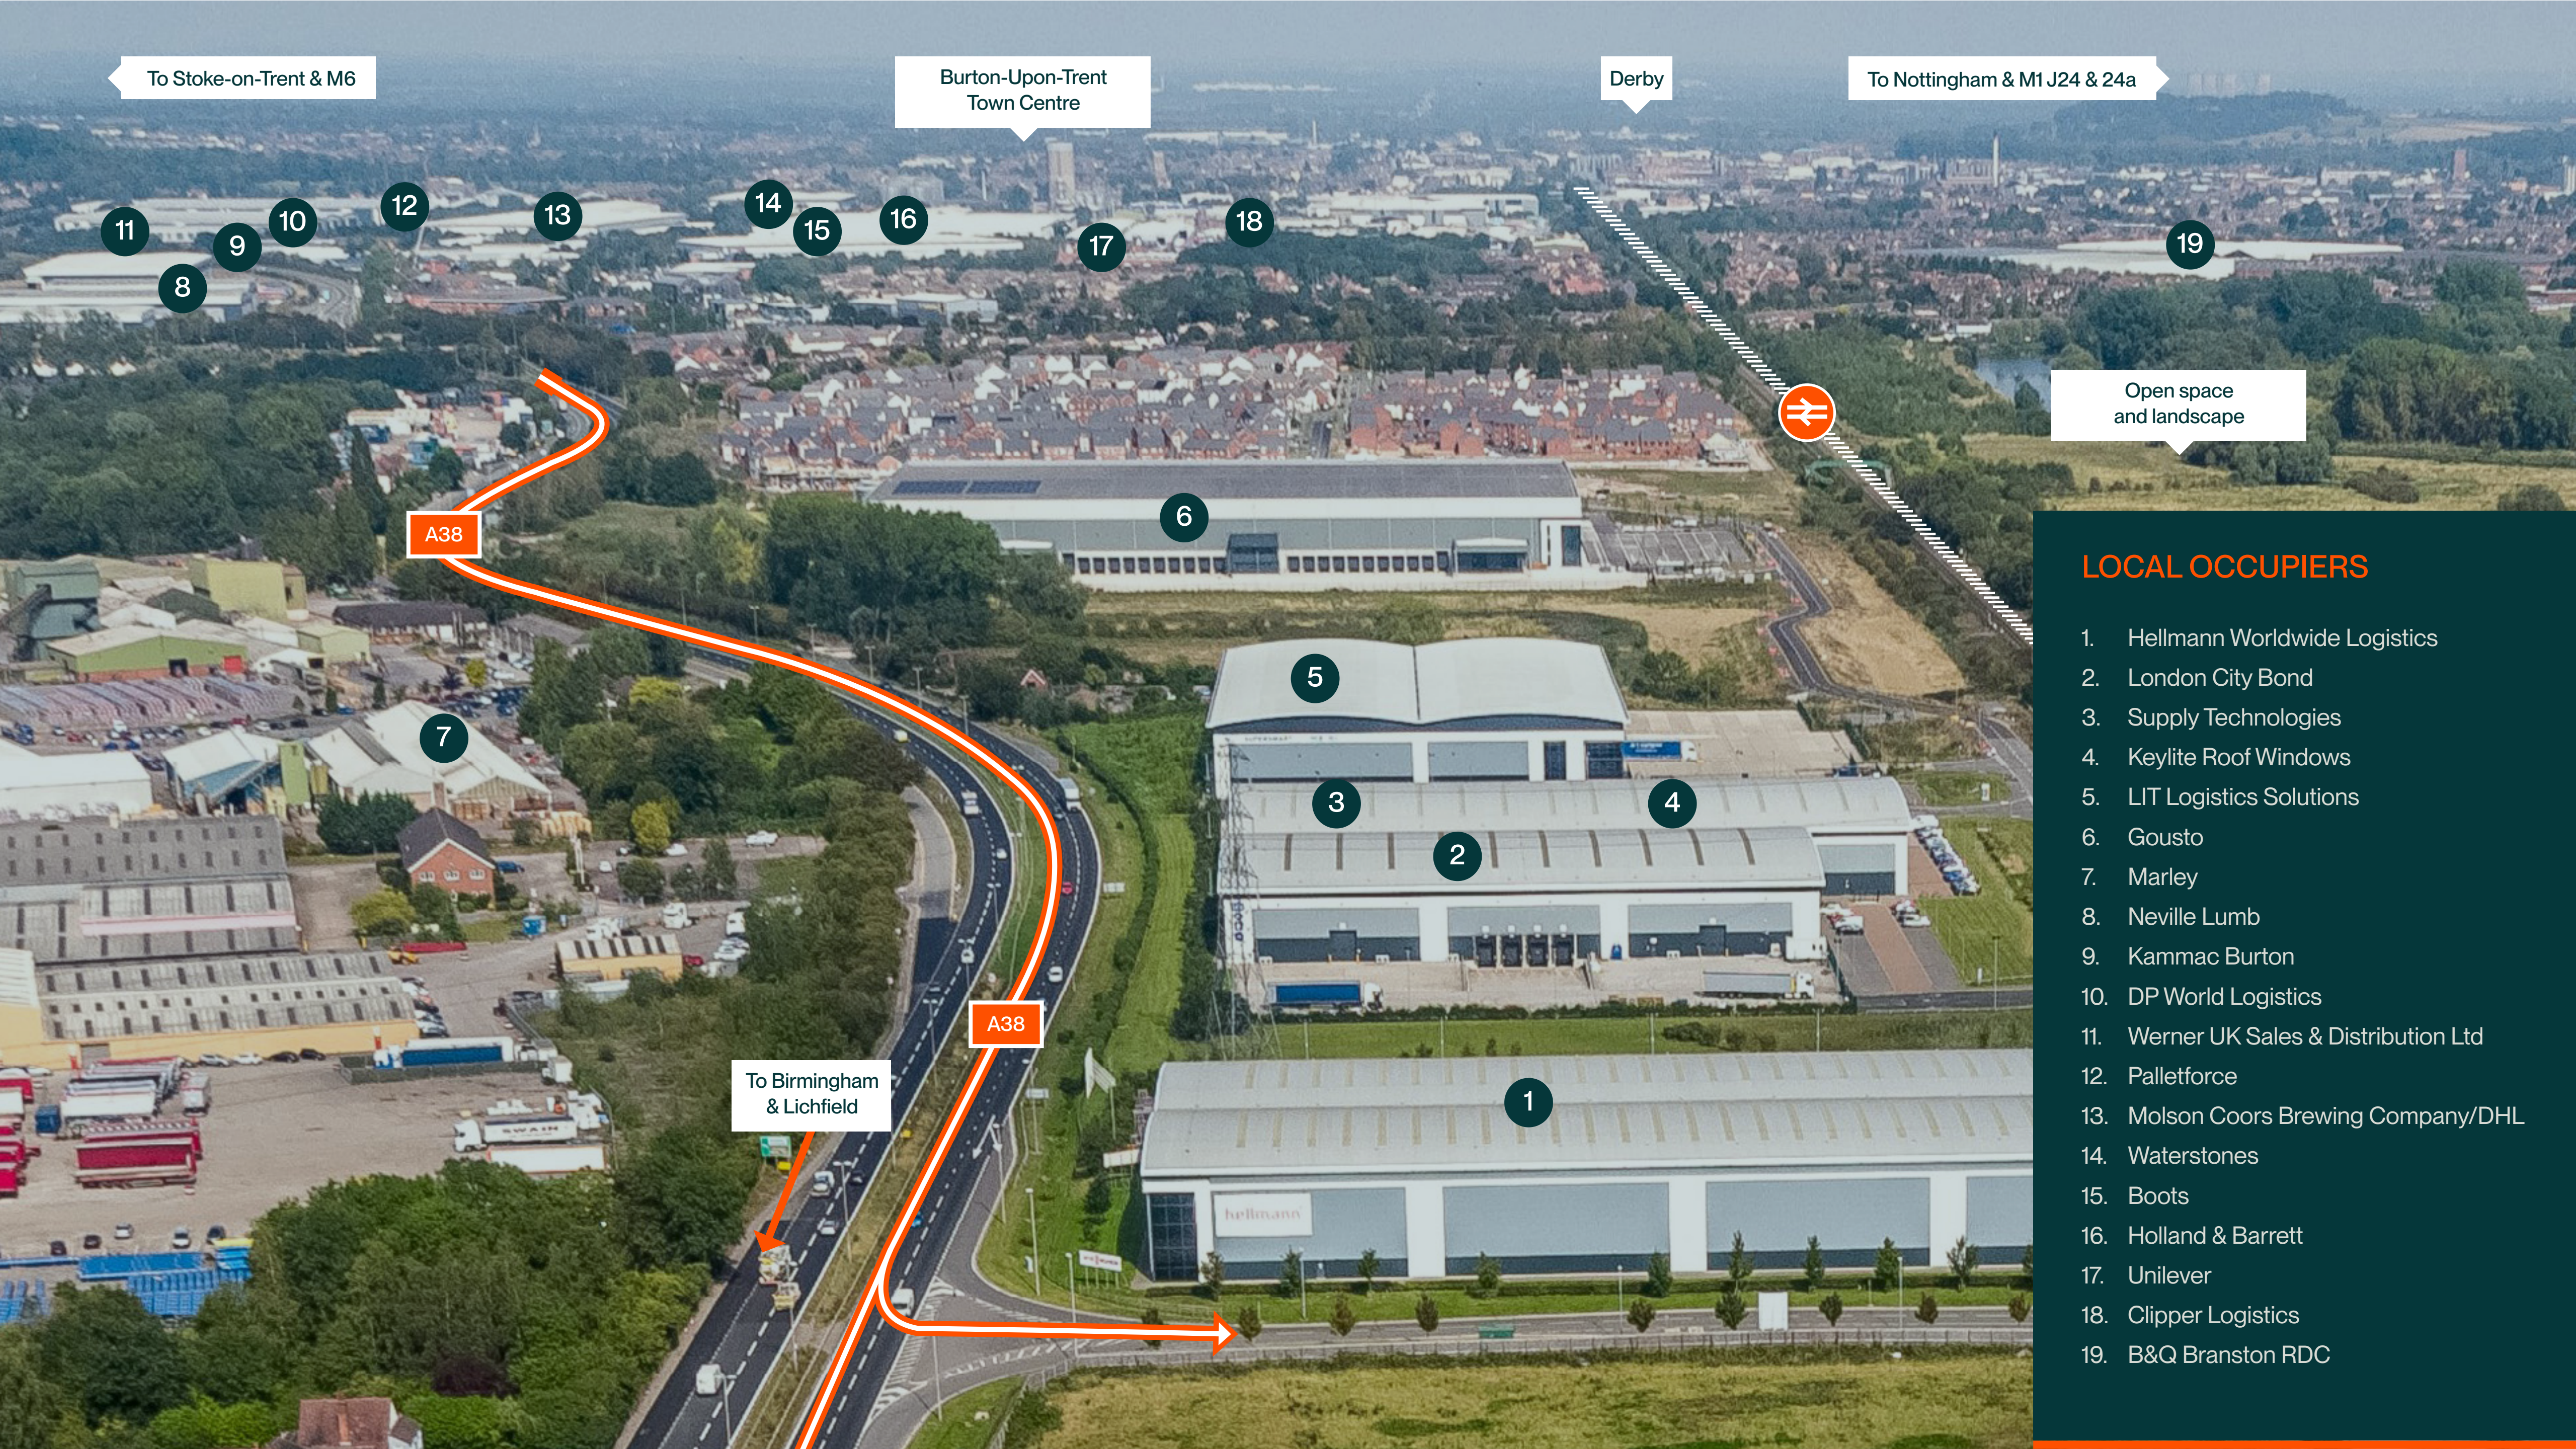

BREEAM Excellent rating targeted, placing this warehouse in the top 10% of warehouses in the UK for sustainability.

Well-established 50-acre industrial park with global brands including JCB, Michelin, Johnson Controls, Pirelli, Rolls Royce and Toyota based in the area.

Site plan is indicative.

We know that people and the planet are important to you – they're important to us too.

That's why all our new buildings are built to our Indurent Standard and have sustainable features as standard, which will help you reduce operational costs whilst realising your ESG ambitions.

The sustainable nature of our buildings also means they are warm, bright spaces in which to work – which is good news for your employees and the environment.

LET'S TALK

Warehousing that Works.

The Indurent standard.

Indurent Parks embody our core purpose – to change places and create better futures.

The Indurent Standard delivers improved quality, sustainable and consistent developments across the Indurent portfolio that impact positively on both the environment and local communities.

Through thoughtful and considered design, we have crafted a philosophy that we believe will have positive and tangible benefits for our customers.

- 75% enhancement on building regulations for air leakage
- 30% better than current requirements for embedded carbon
- Delivered by industry leading supply chain
- Sustainable environments addressing wellbeing
- Designed for flexibility and low operational cost
- Quality materials throughout
- Operational life cycle recycling
- Flexible office space for future fitout
- Low energy use
- Net carbon zero embedded

Sustainability at the core.

High quality amenity, office and warehouse specification, designed with the customer in mind, focusing on health and wellbeing, sustainability and net carbon reduction.

High performance space where you need it.
