GERSHWIN PARK

Gershwin Park is a multi-use development area combining a range of retail, restaurant, commercial, and office opportunities, adjacent to a new residential neighbourhood with associated community and leisure facilities, strategically located adjacent to the A12. Existing occupiers include Aldi, Marstons Pub, Seymour House Nursery, Persimmon Homes and Motus Truck Group.

Further phases of development are underway, with planning permission being sought on three neighbouring plots for a retail complex to include McDonalds and Costa, a commercial scheme providing business units for office and light industrial users and a care home/residential development. Plot 20 is now being offered on a pre-let/sale basis and expressions of interest are invited.

SITE

The Site provides a total of 2.70 acres (1.09 ha) and benefits from good prominence onto Gershwin Boulevard, with a large frontage onto the roundabout with Owers Road. Access is provided from Gershwin Boulevard.

PLANNING

The site is included in the Gershwin Park Masterplan, which was granted planning permission by Braintree District Council in July 2013. Under planning application 12/01071/OUT, permission was granted for the "masterplan for a mixed use development comprising a commercial area for employment, neighbourhood centres, community facilities including food retail, non-food retail, a pub/restaurant, Class B1 office, retail warehousing, other uses within Classes A1 to A5, children's day nursery, health centre, sports facilities, residential dwellings, open space, landscaping and ancillary infrastructure at land to the south of Hatfield Road forming part of the Maltings Lane development"

Within this masterplan the site is zoned for commercial/business uses.

DISPOSAL

The Developer, The Churchmanor Estates Company plc, is seeking expressions of interest from businesses seeking new commercial accommodation either leasehold or freehold on a design and build basis.
