LIVERPOOL CITY REGION FREEPORT IS ONE OF THE UK'S LEADING SPECIAL ECONOMIC AREAS

Designed to drive opportunity through inspirational, inclusive, innovative and sustainable investment to achieve transformational change. Liverpool City Region Freeport is one of only eight Freeport sites in England designed to encourage economic activity.

The property is uniquely situated in a Customs and Tax Freeport Zone (3MG Widnes), one of only three allocations for Tax Freeport Benefits in the Liverpool Freeport Zone.

By Choosing Liverpool City Region Freeport you will benefit from all the usual advantages of investing in the UK as well as a wide range of incentives relating to customs, tax, planning, infrastructure and innovation.

Any occupier must be an eligible business to benefit from Freeport Benefits.

FREEPORT TAX BENEFIT

Tax Benefits offer businesses cash savings through business rates relief and other incentives to support capital investment, skills and employment.

Business Rates Relief

100% business rates relief on qualifying new properties and partial relief for expanded properties in Freeport tax sites until 30/09/2031.

Stamp Duty Relief

0% stamp duty on property to be used for qualifying commercial purposes until 30/09/2031.

Employer National Insurance Contributions (NIC) Relief

0% employer NICs paid on salary up to £25,000 p/a applicable for 3 years per eligible employees (new hires who spend 60% of their working time in the Freeport).

Enhanced Structures & Building Allowances

10% per annum tax deduction for ten years of qualifying expenditure, on non residential structures and buildings for which construction commences for the date a tax site is confirmed and approved by government and brought into use before 30/09/2031.

Enhanced Capital Allowance

100% first year allowance for qualifying expenditure of plant & machinery. 10% tax deduction per annum.

FREEPORT CUSTOMS BENEFIT

Customs Benefits help enable the tariff-free movement of goods for both export and import through simplified customs procedures and relate to the timing of recognising investments and therefore offer a cashflow benefit to businesses.

Tariff Benefits

Duty referral for goods stored on-site and duty inversion for goods exiting the Freeport. Savings from duties that do not need to be paid on outside goods and attract a lower tariff than their component parts.

Duty exemption for goods that are exported from the Freeport.

Trade Benefits

Simplified and more streamlined import procedures.

VAT Benefits

VAT suspension until goods leave the tax site entering into free circulation in the UK.

FREEPORT SAVINGS UP TO £15,000,000*
