Arranged over three impressive storeys, the homes offer expansive interiors perfectly tailored for both family life and entertaining. The lower ground floor is dedicated to luxurious open plan living featuring a magnificent kitchen and dining space with direct access to the landscaped rear garden, creating a seamless connection between indoors and out. A sizeable lounge spans the full depth of the property, providing generous proportions to accommodate statement furniture and bespoke interior styling. A utility room and guest cloakroom complete this level. Ascending through the home, four beautifully appointed bedrooms are thoughtfully arranged across the upper floors, complemented by four sleek en suite shower rooms showcasing modern design and exquisite finishes.

Each residence benefits with parking for two vehicles. To the rear, a generously sized enclosed garden has been carefully landscaped with a mix of paved and lawned areas, offering a tranquil outdoor retreat for relaxation or entertaining.

These homes have been designed with energy efficiency in mind, achieving a B rating and are further enhanced by the reassurance of a New Build Warranty. High quality finishes underscore the attention to craftsmanship throughout.
