- Secure covered car park currently benefitting from Sui Gen Use
- Includes garage, office/storage and WC facilities
- Approximately 5,580 sq. ft
- May be suitable for alternative uses
- Comprises of 20 car spaces
- In a predominantly residential area

An aerial photograph of a residential complex. The complex consists of several multi-story brick buildings with red-tiled roofs, arranged in a U-shape around a central area. This central area contains a paved car park with several cars parked, a smaller paved area, and some green spaces with trees and shrubs. The surrounding area includes other buildings, roads, and parking lots. A dark blue semi-transparent box is overlaid on the top right of the image, containing the title 'Description' and a paragraph of text. A white box with the reference number 'REF: AMP4223' is located in the bottom left corner. The bottom of the image features a dark blue banner with the text 'Secure Covered Car Park Currently Benefitting From Sui Gen Use' and the 'Alex Martin' logo and name on the right.

Description
