This sunning period corner property is located centrally in this very desirable village of Ashwell. Dating back to the 15th Century and having very interesting history its distance past been a sweet shop and butchers. The property has been completely renovated in 2016 blending the beautiful character of the property with modern amenities. The Accommodation offers generous size rooms and includes 3 reception areas, an open plan kitchen/dining room, 2 staircases leading to the first floor, 4 double bedrooms including a stunning master suite with vaulted ceiling, walk in wardrobe and ensuite bathroom, and a further en-suite and family bathroom. Externally there is a delightful courtyard garden. Please note Google street view is out of date and shows a takeaway which no longer exists and now forms part of this property. Just 20 miles from Cambridge and with its own railway station (on the Cambridge to London line) Ashwell has much to fall in love with.
