Description

The property comprises an inner terrace lock up shop that we estimate dates from the late 19th century. The property is of traditional brick construction surmounted by a pitched slate roof. To the rear is a brick built, single storey flat roofed extension that we are informed was constructed in the 1970's. The property has timber framed single glazed windows and shop front.

Internally the property has been used as a butcher's shop for an extended period of time. To the front is a sales area with a rear kitchen and prep area set to the rear with large built in fridges and freezers. Stairs provide access to the first floor which comprises a front office with rear WC and store area. Externally the property has a rear fire exit.

Location

The property is located in the Hillsborough area of Sheffield, a popular suburb located approximately 2 miles north west of Sheffield city centre.

Hillsborough is typically made up of period terrace and semi-detached houses along with modern infill. The area is popular with owners and renters as it has good transport links via a number of bus services and the Sheffield Supertram.

The property is situated on the east side of Middlewood Road near its junction with Dykes Hall Road. It forms part of an established district retail centre with a number of local and national tenants. Nearby occupiers include B&M Bargains, Morfitt Smith estate agents, Rubys café and Sun Kiss beauty salon amongst others.
