Bell & Co Estates are proud to present Limetree Cottage — an exceptional character filled residence set in the heart of a sought-after village consisting of an attractive 17th century cottage which has been sympathetically extended, and which has no chain. The property has a variety of areas for outdoor living featuring an extensive and mature garden with multiple terrace seating areas, one to the rear of the property which looks across open fields, and a further large terrace and seating area with a pond facing to the side of the property. This unique home combines charm, space and versatility making it perfect for growing families or multi-generational living. A welcoming entrance hallway leads through to a living room, complete with feature fireplace and front-facing views. The adjoining dining room offers generous proportions, ideal for family gatherings and entertaining. The heart of the home is the kitchen/breakfast room, fitted with a range of high-quality units, integrated appliances and ample worktop space with an adjoining utility room for added convenience. To the rear of the property sits a magnificent sitting room, an expansive 30ft space with dual aspect views and French doors opening onto the garden flooding the room with natural light — a perfect room for relaxing or hosting. The ground floor also benefits from a downstairs WC/cloakroom and a number of handy storerooms offering fantastic practicality. The first floor provides a spacious landing leading to two generous double bedrooms each with ample room for furnishings. A fully fitted family bathroom serves this level [there is no separate shower]. The upstairs floor at the rear of the property continues to impress with two further excellent-sized bedrooms.
